

Pepper - Hot**Jays Peach Ghost Scorpion**

It is a cross between a Ghost pepper and a Trinidad Scorpion. It grows into various shapes, with some having tails like a Trinidad Scorpion. The peach skin is thin and bumpy like a Ghost pepper. The heat level is extremely hot with a fruity flavor, similar to that of the Ghost pepper. Jay's Peach Ghost Scorpion pepper ranges from 800,000 to 1,100,000 Scoville Heat Units (SHU).
